Announcing a very important date for all fans of LGB

23rd of February 2018 from 12:00 - 16:00

Senior personnel from the LGB distributor in the UK will be at our premises in Princes Risborough to meet with customers, to get feedback, discuss new products ideas, and take orders for the new items due in 2018. With LGB becoming more of a collectors club and so many 'one time only', limited editions in the product line-up, it is becoming vital to be up to date, so as not to miss out on them. If you would like to take part in the conversation please phone to reserve your place as soon as possible, refreshments will be provided and all LGB customers are welcome but priority will be given to our Premier club members, (that is customers who have spent £1000 or more on new LGB in a single transaction, and who qualify for an on-going 10% discount on their LGB purchases for life). Claim your lifetime membership when you next spend £1000 on LGB with us.
