Second Hand Sales

Prices include VAT. Commission Sale items (Prefix SECOM) are sold on behalf of the owner and are open to 'Best Offer'. Please visit our website for up to date details on new and secondhand items.

The 2019 GRS LGB Day 1st of March from 12:00 - 16:00

Senior personnel from the LGB distributor will be at our premises in Princes Risborough to meet with customers, to get feedback, discuss new products ideas, and take orders for the new items due in 2019.

With LGB becoming more of a collectors club and so many 'one time only', limited editions in the product line-up, it is becoming vital to keep up to date, so as not to miss out. If you would like to attend please phone to reserve your place as soon as possible, refreshments will be provided and all LGB customers are welcome but priority will be given to our Premier club members.

Magnus Handwerks was a small but extremely high quality manufacturer of 2-rail electric G45. Founded in 1976 by Christian Hoehne, the company provided many of the early limited production models for LGB, but ceased trading in 2014 upon Christian's retirement. Although sadly no longer with us, his models live on in tribute to a great model maker.

Currently we have the following brass models on commission sale.
