Over the 40 years we have achieved some incredible projects, privately and commercially.

We have built railways all over the world.

We stock items for 00/H0, O Gauge, Gauge One, G Scale, Gauge 3, 16mm narrow gauge and 7/8th Scale as well as ride-on locos in both 5 inch and 7<sup>1</sup>/<sub>4</sub> inch gauges.

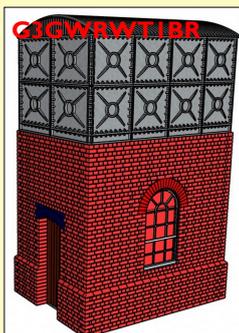

- We can build locomotives in different gauges in live steam, electric and battery
- We can build coaches, rolling stock, buildings, custom made track and lots more
- We diagnose your garden and your ideas
- We can find out the size and radius to suit your garden
- We talk about foundations and the different types of track bases
- We find out what you have already in your garden settings, which may have challenges and we can give you ideas to build your garden railway around them
- We find out the style and size of locomotives you could run
- We talk about the different options on control systems
- We have staff fully trained in electrical/digital backgrounds
- We have engineers on site to give you live steam demonstrations
- We repair and upgrade your locomotives
- We custom line engines
- We custom build track
- We sell over 200 buildings
- We make concrete products for scenery outdoors
- We hold digital training courses
- We hold special events
- We buy in second-hand, do trade-ins and sell on commission sales

**We stock the following brands:**

# GRS Open Day 2025

20th & 21st Of June, 10am - 4pm

We have LGB representatives present on both days to talk to our customers and answer questions along with an LGB and a general sale across the shop on most of our brands. Last year was a huge success with most customers wanting us to hold one every summer in future.

Please phone to book your place on either or both days. Refreshments will be provided and parking is available around the back of our shop. We look forward to seeing you all and hope you enjoy this 2 day event.
