BOB Kits Are Discontinuing

Our current range of British Outline Building kits are coming to an end now is the time to get what you want while we still have it because once they're gone, they're gone! Kippo Models kits will be filling in the gap with a new range of buildings printed using ABS filament. As the southern dealer of Kippo Models, we are able to back order any kit in their catalogue into the shop if required. Yarwood kits will be carrying on like normal.

New GRS Hudswell Clarke

GRS is excited to announce that we have a brand new 1:19 scale Hudswell Clark pannier tank currently in the works with Bowande. It is based off of No. 868 which served as a shunter which was built in Leeds for the Bengal Iron & Steel Company in India.

The engine features all of the mod-cons including finely modelled, fully functional Walschaerts valve gear, wheel suspension, Goodall valve and the ability to switch between 32mm and 45mm gauge. We plan to paint it in a range of fully lined liveries and will hopefully be released to the public towards the end of the year.
