We are now taking bookings for the Massoth and CS3 courses for 2027 at £100 per person. Course dates will be decided upon once we have enough people to go ahead.

NEC Exhibition 21st-22nd November 2026

We will be attending the NEC show in November and will be taking any prepaid orders with us for those who would like to pick up from our exhibition stand. Please let us know in advance if you will be attending.

GRS Christmas Open Day 12th December 2026

Due to the success of this years open day back in June, as well as multiple requests from customers we have decided to host a second open day to celebrate Christmas. We will have a sale in effect for the day and we will be serving turkey baps, mince pies and drinks. Thank you to all of those who attended our summer open day; we hope to see you all again in December.

Please phone to book your place. Refreshments will be provided and parking is available around the back of our shop. We look forward to seeing you all and hope you enjoy this festive event.

Our Services

- We can build locomotives in different gauges be it live steam, electric or battery R/C
- We offer a kit building service for kits of any size or complexity
- We can help plan your perfect garden railway and discuss track radius, building materials and navigate existing obstacles
- We can discuss and build on the style and size of locomotives you could run
- We talk about the different options on control systems
- We have staff fully trained to operate the electrical and digital systems we stock
- We offer a free steaming lesson whenever you purchase a live steam locomotive from us
- We can repair and upgrade your locomotives
- We offer a painting service for anything from locos to buildings
- We can make custom track based on your specifications
- We hold annual digital training courses
- We buy in second-hand, do trade-ins and sell collections on commission

Huge Second-Hand Collection

We have recently taken in a large collection consisting of a wide range of gauges and scales. Items include locomotives, rolling stock and kits for S scale, 16mm, G scale, G1 and O gauge. See our website or visit our showroom to learn more.

Last Batch Of Thomas & Friends Stock!

We will soon have a final batch of Thomas & Friends stock coming into our shop at some point towards the end of the year just in time for Christmas! The items coming into stock are 91401 Thomas The Tank Engine, 91402 Percy The Small Engine & 98021 The Spiteful Brake Van.

We still have plenty of other Thomas & Friends items already in stock such as a wide range of wagons and coaches as well as a few oo gauge train sets featuring Thomas, Annie & Clarabel.

USA Trains UP FEF-3 Northern - Last One In Stock!

Features Include:

- *Highly detailed die-cast metal construction
- *Operating smokestack with pulse smoke
- *Whistle & cylinder steam
- *Start up delay circuit that allows sound & smoke units to activate prior to movement of loco
- *Digital with ESU Sound

Now is your last chance to own one of these magnificent locomotives. This model is made from an all metal construction and boasts top of the range features such as steam emitting from the smokestack, whistle and cylinders, LED lights and roller bearing drive axels as well as being DCC ready with ESU sound and using Maxon motors

New GRS Hudswell Clarke

GRS is excited to announce that we have a brand new 1:19 scale Hudswell Clark pannier tank currently in the works with Bowande. It is based off of No. 868 which served as a shunter which was built in Leeds for the Bengal Iron & Steel Company in India.

The engine features all of the mod-cons including finely modelled, fully functional Walschaerts valve gear, wheel suspension, Goodall valve and the ability to switch between 32mm and 45mm gauge. Illustrated here is the range of fully lined liveries and will be released to the public in November
